

## **STUDENT EXPERIENCE CELL**

The Student Experience Cell acts as an interface between the Management, Faculty & Students.

The main objectives of SE cell are:

- ° To monitor, review & enhance student satisfaction in all aspects: Academic, Intellectual, Social as well as Emotional.
- ° To support students' growth in cultural, political, sports & artistic interests
- ° To help quick correspondence regarding paperwork for national & international students at the earliest.
- ° To implement strategies that help to maintain students' overall wellbeing
- ° To provide support & encouragement to students especially when the pressure is high
- ° To receive and respond to issues related to student experience within 48 hours.

**The incharge of this section are:**

**Dr Ridhi Narang (Professor) Department of Public Health Dentistry**

**Dr Sanjana Parwal (Lecturer)**
